

Says

What have we heard them say?
What can we imagine them saying?

Everyone who remembers his own education remembers teachers, not methods and techniques. The teacher is the heart of the educational system.

Thinks

What are their wants, needs, hopes, and dreams?
What other thoughts might influence their behavior?

Education is key to success in life, and teachers make a lasting impact in the lives of their students

administration

Ensures that teachers and staff members regularly measure students performance

Through staff supervision, educational administrators ensure classroom organisation, attendance and discipline among students. Often, they work with other professionals to set teaching standards for students and teachers

A good education can change anyone. A good teacher can change everything

Does

What behavior have we observed?
What can we imagine them doing?

Feels

What are their fears, frustrations, and anxieties?
What other feelings might influence their behavior?
